Mayor January soon had a lot of hose loaded in the big truck and within forty-five minutes the Paris fire-fighters were in Cynthiana helping combat the flames.

The fire burned the large frame warehouse belonging to Mr. LeBus, which is located on the line of the L. & N. Railroad, in Cynthiana, together with a quantity of tobacco, baled hay, entailing a loss of around \$20,000.

Several adjacent building, among them Poindexter's tobacco barn, Mc-Clelland's stable, Hutchison's restaurant and office at Raymond's lumber yard, were also damaged. Five buildings were afire at one time and the fire department had its hands full to prevent a general conflagration.

A large brick tobacco warehouse just across the alley from the main containing 10,000 bushels of wheat was saved by hard work, only the roof of this structure being slightly damaged.

YOUTHFUL OFFENDER AR-RESTED

Will Gatewood, a colored boy aged fifteen, was arrested by Chief of Police Link and Patrolman Lusk and taken to jail on a charge of being on premises. Gatewood was discovered in a room on the second floor at the residence of Rev. Father De-Bruyn, adjoining the Catholic church. He could give no satisfactory reason for being there.

Gatewood has been in trouble before, but was out on probation. One day last summer he knocked down a small boy who was carrying an ice cream freezer full of cream and ate the cream. He will be given a hearing before Judge George Batterton in the Juvenile Court.

#### SCHOOLS TO HELP OBSERVE CO-LUMBUS DAY.

Columbus Day, October 12, will be fittingly celebrated this year in the public schools of this State. State Superintendent Gilbert has issued a proclamation instructing all the teachers in the public schools of Kentucky to prepare for a patriotic celebration on that day. His proclamation follows:

"In co-operating with and at the request of the National Bureau of Education and Treasury Department. we urge all teachers, pupils and school officials to observe October 12 as Columbus Day in celebration of the discovery of America. You will receive suggestive programs and we know that Kentucky will be found, as in all other patriotic efforts, at the forefront in making this day a memorable success, thus rendering a great service in the promotion of the ideals for which our nation is now making heroic sacrifice.

"I am writing the authorities at Washington that we will make good."

# GREAT LOVE."

Internationally famous as the world's greatest exponent of the cinema art, David Wark Griffith is the creator of the screen's most remarkable triumphs. That his genius has accomplished more to elevate the motion picture to its present high standard than any other agency, is apparent to everyone. His sensational departures in photoplay productions are film history and the mention of his name in connection with a screen offering always excites anticipation for something new in the ray of advanced cinema technique.

Mr. Griffith spent many months in England and France during the past nent that will help you to health year and on his return to this country, he produced "Hearts of the World" which was presented with enormous success in New York.
